

6 TIPS TO START BENDING

01

Disrupt Hierarchies

Change power relations among learners.

03

Value Process Over Product

Center the experience of creating knowledge together.

05

Carry it Forward

Embrace accountability.
Apply your justice work beyond discrete learning spaces.

02

Create a Learning Community

Build a community of practice intentionally.

04

Be Brave

Encourage bravery as learners engage in the difficult conversations that are foundational to justice work.
